vs.

Defendant name(s),

Carolyn W. Colvin

Acting Commissioner, SSA

Case No.: No. 13-4211 RS

Stipulation for Extension
of Time To Reply To Motion
for Summary Judgement or
Remand to Social Security
Administration

Dated this 16th day of
October, 2015

Both Parties stipulate that the time for Plaintiff to respond to Defendant's cross motion for summary judgment be extended from October 28, 2015 to November 25, 2015. Plaintiff needs the extra time to respond because he will be away for several weeks tending to previously scheduled personal family matters that were calendared prior to Defendant's recent request for extension of time to respond. This unanticipated schedule change caused an overlap in dates and affects Plaintiffs availability to effectively review and respond to Defendant's cross motion.

Plaintiff apologizes to the Court for this delay and asks for latitude as this is Plaintiff's first case in which he is forced to represent himself.
